Tour Includes:

- Amazing aerial views of Hoover Dam and the newly built O'Callaghan- Tillman Bridge, Lake Mead and the Colorado River
- 10 miles of air time and flying 2,500 feet above the areas of interest
- 30 minute motorized float trip on the Colorado River with views of Hoover Dam and part of Black Canyon

Languages:

- English Only

Sample Itinerary:

- Clients arrive at the Hoover Dam heliport for check-in and present a government issued photo identification if 18 years of age or older
- Clients board and depart by helicopter for a 6 minute flight covering 10 miles of the areas of interest
- The flight includes amazing views of Lake Mead, the Colorado River, Hoover Dam and the newly built bypass bridge before returning
- Clients return to the heliport and check-in for the raft portion at the Hoover Dam Lodge that is adjacent to the heliport
- After check-in, clients are transferred via shuttle to the base of the Hoover Dam where the raft will launch
- Clients board the raft and depart on a 30 minute motorized float trip on the Colorado River. Views include Hoover Dam, the lower power plant and part of Black Canyon
- After the raft tour, clients are returned to the Hoover Dam Lodge.
